Sir:

Attorney for applicant encloses a Proposed Amendment in response to the Office Action of July 7, 2009, which is further designated as a Final Rejection. Since the Proposed Amendment is filed less than three months after the promulgation of the Office Action, no extension fee is believed to be due and owing.

The proposed Amendment is divided into two sections, namely, (1) Claim Amendments and (2) Remarks. Each section starts on a separate sheet of paper, in compliance with present Patent Office practice and procedure.
